

Christian Hills School Newsletter

From the Principal's Desk

Hello Parents,

Happy New Year! We are officially in 2019. With a new year comes the anticipation of many new and exciting changes and/or improvements, which is always something to look forward to. There are so many new ideas to help bring our school to the next level that are in the works. We have acquired some technology from the local school districts to replace items that needed upgrades.

Ten Smart Boards are in the building waiting for projectors so we can implement new technology within each and every classroom.

The students are working diligently to help us come up with benches for our playground. Donors are also starting to give towards the playground project. When we have enough, we can apply for a grant to cover the other half of the cost.

New windows have been purchased and donated to help replace ones that have been in need of repair.

Also, you may have noticed that a new website is up and running. It is still in the works, but the main format is in motion to give you access to almost everything you will need at Christian Hills School. It is already set for you to access your students' grades. Click on the Parent page and you will find Parent Plus which will give you direct access.

This is all just the beginning. We serve an amazing God that will provide what we need, when we need it. I ask that you pray along with us. This is His school! God's hand is upon each student that enters this building and they are being disciplined daily. Praise the Lord!

Please join us in telling or bringing your friends and neighbors to this event. This could also allow you to take a peek at your child's classroom for next fall. The Open House will be held on Tuesday, January 22nd from 7:00 – 8:30 p.m.

Have a blessed weekend!
