Dear Parents,

On Monday, February 8th, the students will begin their MAP testing. The testing will last throughout the week and will be scheduled by the classroom teacher.

Here are a few things you can do to help your child do his/her best on these important tests.

- Make sure your child gets plenty of rest each night during this week. We will limit homework in order to make sure there are no late study sessions.

- Make sure your child has a good breakfast each morning, and send a nutritious snack and healthy lunch each day. **PLEASE LIMIT SWEETS.** Fruit, cheese and crackers, yogurt, carrots, or nuts are all good snack ideas.

- **BE ON TIME EACH DAY!** We have a very tight schedule and cannot wait for late arrivers.

- Try to keep the routine at home normal. It is not wise to change schedules or disrupt normal routines this week.

- Pray for your child and encourage him or her to do their best. Remind your child that there will be some questions that he/she will not know the answers to, but tell him/her not to be discouraged. All that is required is that he/she does their best.

Here is a link with 20 tips for families to help prepare for MAP Growth:
https://www.nwea.org/blog/2017/preparing-for-map-growth-20-tips-for-families/
You will also receive an email to have quick access to the above link.

Your teacher will send home additional information for your child's particular class if necessary.

Thank you for your help in making this testing week go smoothly for all concerned.

*Please make every effort to have your child here each day during testing.
